

Algebra 2C Course Information

Mrs. Trahern Room: M7 Phone: (619)956-0543 Email: ptrahern@guhsd.net

Course Description

This course strengthens algebraic skills and builds a solid foundation in trigonometry through applications, investigations, and hands on data analysis. Students who successfully complete this course will be prepared for pre-calculus. Successful completion of algebra, geometry or intermediate algebra is a prerequisite.

Textbook

Holt Algebra 2 (Holt, 2008)

Student Supplies

- Graphing Calculator *
(CASIO or TI-83, TI-83+, or TI 84+)
- 2 Composition Notebooks
- Graph & Lined Paper
- Pencils/Pens
- Glue Sticks

*Calculators are available for checkout, however supplies are limited.

- *If a graphing calculator is unattainable, there is an online alternative through our class website or use:*
www.desmos.com

Scholarship Percentages

Participation **10%** Homework Quizzes **20%**
Tests **35%** Discovery Activities **20%**
Final **15%**

Citizenship

Outstanding: A student who creates order
Satisfactory: A student who maintains order
Unsatisfactory: A student who creates disorder

Attendance

An absence does not excuse a student from keeping up with the material. Absent students will still be responsible to meet assignment/test deadlines unless prior arrangements have been made with the teacher.

Tardies

On time = Student is sitting in his/her assigned seat *before* the bell finishes ringing.

1-2 tardies = warning

3-6 tardies = 1 hour detention for each offense

7+ tardies = Contact parent & behavioral referral per additional tardy

Need Help?

- Review in-class notes
- Ask a classmate to explain the concept.
- Go to after-school tutoring.
- Check resources on the class website.
- Make an appointment with Mrs. Trahern.

Food & Drink Policy

No food. Only drinks with a closable container are permitted in the classroom.

Cell Phones or Electronic Devices

Please silence and put out of hands' reach all cell phones or devices that might disrupt the learning environment. Texting at any time will result in the phone being confiscated during the class period. Multiple cell phone-related disruptions will result in a disciplinary referral.

Academic Honesty

Academic integrity is essential to academic success. Dishonesty on homework, quizzes and/or an exam will result in a score of a zero and disciplinary action.
